

J. Addison School

Canada's Pre-Eminent Private Day and Boarding School

Class of 2021

The 2020–21 school year has been non-traditional in several ways. Although our graduation ceremony had to be virtual this year, we want to congratulate each and every graduate for their accomplishment of excelling during this peculiar time. Our Graduating Class of 2021 achieved a record-breaking \$550,000 in post-secondary scholarships! Our synchronous classes proved to be effective in maintaining delivery of high quality programming as well as keeping our students engaged. Despite the continued challenges, we are very proud of our graduates, who never cease to astonish us with their resilience and determination. Keep up your desire and ambition to succeed, you're doing a phenomenal job!
