

Unit 2.1 Magical Realism

Activity #1 Review

Reader Response - Your ability to critically reflect while making connections to a text (story, book, film) that you are studying.

Feminist Literary Criticism - Looking at and asking questions of a piece of literature from the perspective of women. Judging the representation of women in the literature you are studying and what this representation says about the writer's view of, and comment on, society.

Watch the introduction to magical realism.

1. What is magical realism according to the author?
