

J. Addison School

Canada's Pre-Eminent Private Day and Boarding School

Class of 2020

It has been another excellent year at J. Addison School, despite the various challenges caused by the pandemic. Every year, our graduating class has grown exponentially with students from countries around the world enrolling to our school. The diversity of these students is an integral part of our school's strengths as students learn from each other and meet friends of various cultural backgrounds. Our Graduating Class of 2020 has been our largest to date and they have had a truly exceptional year with regards to their academic standings and accomplishments, withstanding and braving the mental fortitude that was needed in order to endure the pandemic. Thanks to our caring staff and Focus For Success™ adaptive program, our graduates were able to find their pathways to success for their desired Post-Secondary institutions. We are tremendously proud of our graduates who are well on their way to becoming intelligent, responsible and respectful global citizens.

June 2019 Graduation Ceremony

Congratulations to our Graduating Class of 2020!
