DAY SCHOOL

Hi Jas Family, we were equally excited to get an extra hour of sleep in November, but still focused on studies as it was a month of academic progress with our staff and students reaching great heights. In November, students received their report cards, which were followed by parent-teacher interviews the week after. We hope that each student has achieved a new goal in their studies and will strive to do even better on their next report card.

At the end of the month, we held an event called "Pajamas Day" where students and staff walked into the building in their pajamas. The dorm students had many fun activities such as Halloween Haunt at Canada's Wonderland, recreational swimming and a shopping trip at Yorkdale Mall. We can't wait to hear the experiences from our students.

BOARDING SCHOOL

The boarding team worked extremely hard onboarding new and returning dorm students this year. In accordance with COVID-19 policies at the school, students have safely and successfully moved in to their assigned rooms. Have a great school year dorm students!

Canada's Wonderland-Halloween Haunt by Evan Ho Yin Tran, Grade 12

Canada's Wonderland Halloween Haunt was an unforgettable experience that made me realize how fortunate I am that I was able to attend with my dormmates for the very first time on Halloween. The staff at the theme park wore horrifying costumes which I got frightened by some of them. Also, I enjoyed the thrilling rides at Canada's Wonderland and had a wonderful and memorable experience with my friends.

Yorkdale Shopping Activity Trip by Suri C. (Hong Kong) (Grade 11) (Chi-

On Saturday November 6th, 2021, the dorm team hosted a shopping trip activity at Yorkdale Mall, which is one of the major retail shopping centres in the North York area. According to my personal experience, this mall showcases various high-end stores, where you can practically buy everything that you may need. In conclusion, I had a delightful trip!

Recreational Swim-Angus Glen Community Centre by Dora

On Saturday November 13th, 2021, some of the dorm students and I had the opportunity to go swimming. Based on my personal opinion, I felt that everyone was happy and excited to take part in this activity. In addition, we got the chance to exercise and spend quality time with our dorm friends. Finally, this activity helped us to build a closer relationship with each other as we played a wide range of team-building games as well as exhibiting our swimming skills.

ATHLETICS

For the month of November all of our teams played in a host of games. We also welcomed visitors to watch our home games in over two years.

Our Varsity girls team won their first game in OSBA Tier 1 where they beat Southwest in an overtime thriller while Mary-Anna Asare scored 40 points. Along with their first OSBA win, our Girls Varsity also played in the Michigan Mega Scrimmage where they went 3-1 and the opportunity to play in front of many college coaches.

Our boys programs have been competing in different leagues in the province. They are currently playing in the OSBA, Platinum Circuit, Premier League. In the first full month of basketball, our program is establishing themselves as one of the best programs in the country.
