DAY SCHOOL

Hello J. Addison family! It's incredible how quickly time flies. June officially marks the end of another school year. Many of our students went to Wonderland as their final trip of the year. Also, we held our annual Grade 8 and Grade 12 graduation ceremonies and our first prom in a couple of years. All of our elementary school students from Grade 1 to 7 got involved by performing our national anthem and our school song at the Grade 8 ceremony. Our graduates were shown a video filled with all the beautiful moments from this year and presented with their certificates. Just a day later, our graduates went out for their graduation luncheon celebrating the end of a journey.

Meanwhile, our Grade 12 graduation ceremony was held at a banquet hall this year. The graduates were treated to a couple of wonderful performances and memorable videos as they were presented with their certificates. Just a few hours later, our graduates got out of their gowns and put on formal attire for their annual prom filled with dancing and a delicious dinner.

As students celebrate the beginning of summer with many of our dorm students returning home for the break, J. Addison would like to take this opportunity to congratulate our students, especially our Grade 8 and Grade 12 graduates. Your accomplishments at J. Addison have been incredibly inspiring. Cherish every moment as you look towards your future. We look forward to seeing our returning students again in September for a brand new school year.
