MARCH 2022 HIGHLIGHTS & PHOTOS

DAY SCHOOL

Hello, JAS Family! We hope everyone has enjoyed semester 2 thus far in the year. The month of February was quite eventful. Dorm staff have been keeping busy organizing plenty of activities for our dorm students, including pizza and movie nights and an annual winter orientation team building activity for new and returning students. We would like to also welcome all new students that have the joined J. Addison community!

J. Addison started February off with a graduation ceremony for the winter class of 2022. We would like to congratulate all our grads that have achieved this monumental milestone and wish them the very best in their future, we will miss you! Sincere and heartfelt thanks to all staff and students that have supported our grads with reaching

BOARDING SCHOOL

"Horror Movies, Pizza and A Couch-Count Me In!!!" by Stephany Tong (Hong Kong)

On Friday February 4th, 2022, the dorm students and I, were able to take part in a "Horror Movie/Pizza Night", which was organized by the dorm team. In my personal opinion, that night was terrific as the dorm students and I screamed and laughed throughout the whole night. Overall, we definitely had a lot of fun and I hope that we can have that experience once again.

"Leadership and Teambuilding Activity- "Building Leadership With TEAMWORK!" by Koey Wong

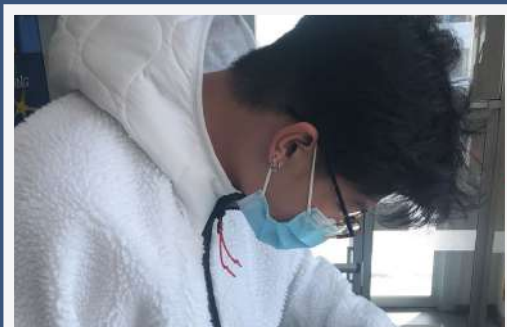

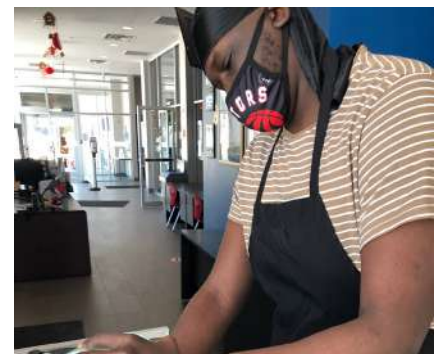

To kick-start our second semester of this school year, the dorm students and staff gathered in the gymnasium for orientation activities on Monday February 7th, 2022, as we welcomed new and returning dorm students. During the orientation session, the dorm students were able to conduct personal introductions as well as participate in a team building activity called "Cup Tower". Based on this activity, we were divided into groups of six and our task was to utilize an allotted amount of clear plastic cups to build the tallest tower amongst all the teams. This activity provided a good opportunity for me to meet new people as well as strengthen my communication and cooperative skills. Although my team didn't win, my teammates and I still enjoyed the experience of working with one another and we continue to look forward to a wonderful dorm experience within this school year.

Written by: "Cooking Up A Storm-Canadian Brunch" by Zhi Hou Ye C. (Peru)

On Sunday February 13th, 2022, the dorm staff held an activity where the dorm students were able to prepare their own brunch. This brunch was a typical representation of a Canadian daily meal, as it comprised of waffles with syrup, fried eggs, turkey bacon and Cinamon toast. From my personal experience, I had the opportunity to make waffles, which were so delicious. Moreover, I was able to add various toppings such as whip cream, caramel, chocolate and strawberry syrup. In conclusion, this activity was extremely fun and also very creative, as it provided the opportunity to prepare what you like while enjoying it in your own way.

ATHLETICS

Through the month of February, there was a lot of basketball that was played. Both varsity teams were looking to complete their OSBA regular season schedule.

The girls started the month of February with beating the 2nd best team in Canada but continued their rollercoaster season and ended with a losing record and did not finish in the final 8. The girls will now focus on skill development and training while they prepare for their AAU and the next OSBA season. We would like to thank our graduating seniors; Mary Asare, Skylar Forbes, Iyana Knights, and Victory Vincent for their dedication and sacrifice to our program. Best of luck as they embark in the next step in their basketball journey.

Our boys' teams had a very eventful month of February. Our Varsity and Junior Varsity boys teams travelled down to Florida to participate in IMG's invite only Beach Blast. Both teams went undefeated (a combined 6-0) and represented J. Addison very well.

Our varsity boys completed their OSBA schedule and finished the regular season 8-6 and earned a spot in the playoffs. Playoffs will take place March 4th-6th at UOIT in Oshawa, Ontario. Best of luck boys!
