## DAY SCHOOL

Hello, JAS Family! We hope you had a great Christmas break and enjoyed a safe joyous holiday with your loved ones. The month began with online learning for two weeks to prioritize the safety of staff and students, as instructed by our premier Doug Ford. We started welcoming back staff and students on January 17th for in-class learning and look forward to having all programs back by early February.

We want to continue to thank all the staff and students for following our policies surrounding COVID-19.

The school is continuing and dedicated to providing a safe and healthy learning environment for our staff and students.

This month we would like to showcase the various dorm activities at the school. We can't wait to hear the experience our dorms students had this month!

In my opinion, I can truly say that this day was truly an unforgettable experience that I was able to enjoy with my friends.

## Handmade Dumpling Activity by Koey Wong (Grade 12-Hong)

On January 25th, 2022, the dorm students made Chinese inspired dumplings in celebration for the upcoming Chinese New Year. The school's cafeteria staff prepared a variety of ingredients such as pork, carrot, parsley, onion and cabbage, which would be used to make the fillings for the dumplings. Additionally, the staff assigned different roles within each group of dorm students. Personally, my group's task was to shred the carrots into fine pieces. Once we completed this task, my group members and I began to fill our dumplings. During this experience, I was able to reflect about the beautiful memories living in China during Chinese New Year as well as the brand-new
