## JUNE 2022 HIGHLIGHTS & PHOTOS

## DAY SCHOOL

Hello, JAS Family! The month of June was jam packed with exciting events including our Grade 8 and 12 graduation ceremonies, where staff, students and parents proudly celebrated! Dorm staff once again organized a ton of safe activities for our dorm students, such as Taste of the World, a Graduation Dinner, Canada's Wonderland and a three-on-three basketball tournament. On behalf of J. Addison School, we would like to extend a heartfelt congratulations to the Class of 2022 graduates on a job well done!

Our high school students were not the only ones that had fun activities; our junior building organized a field trip to visit Tree Walk Village, various drama skits and a puppet show. As our 2021-22 school year comes to an end, we want to remind everyone the last day of school will be June 17th, which is when final report cards will be issued. We want to wish everyone a safe and a happy summer. See you all back in September!

## 3-on-3 Basketball Tournament by David C. (Grade 11) (China)

On Saturday May 14th, 2022, J. Addison School dorm department held its annual 3 on 3 intramural basketball tournament. One of the most admirable things about this tournament is that the dorm students who didn't participate in it, still showed support by attending the tournament and cheering for their friends. Additionally, the tournament was approximately 3 hours long, however it was truly meaningful as dorm students were able to strengthen their personal bonds with each other and learn how to work together as a team. Finally, I realized that this tournament put into perspective that after a month of hard-work being applied to my academic studies, served as a basis for personal relaxation. In conclusion, I would like to congratulate all the winners and I am thankful for the dorm department for providing this fun tournament to help us stay physically active and relieve any mental stress.

## Class of 2022 Graduation Decor-Set Up Experience & Dorm Farewell Dinner by Janice C. (Grade 12) (Hong Kong)

The Class of 2022 Dorm Farewell Dinner occurred on Friday June 3rd, 2022, which was hosted by the dorm department. Prior to the farewell dinner, the dorm staff and students attended the 20th Annual graduation ceremony where they also set-up and decorated the event space area. As one of the individuals who were apart of the decorating student committee, I remember working non-stop to decorate various areas of the school, in order to provide a lasting impression for the Class of 2022 graduates and their families. For example, beautiful balloon garlands cascaded the school hallways. Personally, I felt a sense of excitement from the dorm team as well as their extensive care towards making a memorable graduation experience for all. Undoubtedly, I saw a lot of smiles on people's faces during the day of graduation that made me feel like all of my hard work was truly worth it. A part from this, the Class of 2022 dorm farewell dinner was a terrific opportunity to commemorate the end of the school year with my fellow peers who have become life-long friends. Not to mention, the delicious dinner that we enjoyed at Pickle Barrell (Markville Mall). Overall, I would like to wish all the best of success to the Class of 2022 graduates!

**Canada's Wonderland Activity by David C. (Grade 11) (Hong Kong)**

On Friday June 10, 2022, J. Addison School dorm department arranged a wonderful outing to Canada's Wonderland for day and dorm students. In my personal opinion, many students attended this trip. During the day of this activity, the weather was surprisingly great and the sun was shining brightly with a gush of fresh breeze blowing. Another aspect of this fun activity is that my friends and I went on many interesting rides. With that being stated, I felt that some rides were slightly overcrowded, however my friends and I still had a chance to experience multiple rides and facilities. Finally, I felt that this trip to Canada's Wonderland right before beginning my summer vacation was quite splendid. It should be noted that this experience afforded me with the opportunity to create more memories with my friends that will last for a lifetime and I am grateful to the school for providing this amazing trip.
