

J. Addison School

Canada's Pre-Eminent Private Day and Boarding School

Class of 2019

It has been another excellent year at J. Addison School. Every year our graduating class has grown exponentially with students from countries around the world enrolling to our school. The diversity of these students is an integral part of our school's strength as the students learn from each other and meet friends of various cultural backgrounds. Our Graduating Class of 2019 has been our largest to date and they have had a truly exceptional year with regards to their academic standings and accomplishments. Thanks to our caring staff and Focus For Success™ adaptive program our graduates were able to find their pathways to success for their desired Post-Secondary institution. We are tremendously proud of our graduates who have grown in our school to become diligent, responsible and respectful global citizens.

Congratulations to our Graduating Class of 2019!
