

J. Addison School

Canada's Pre-Eminent Private Day and Boarding School

Class of 2022

The 2021-22 school year finally welcomed an in-person graduation ceremony for parents that was also streamed live. After two years of virtual only celebrations, it was heartwarming to see our graduates honoured by their family and friends in the audience. As we proudly celebrate our 20th anniversary this year, we concurrently celebrate our graduates for their accomplishment of excelling during this peculiar time. Our Graduating Class of 2022 achieved a record-breaking \$700,000 in post-secondary scholarships! Hybrid learning continued to allow the prioritization of health, safety and security as needed while we were able to restart all of our programs this year. As we optimistically look forward to the full resumption of normalcy, we excitedly cheer on our graduates in progressing to the next stage of their lives. We wish them strength, determination and the very best of luck!

June 2022 Graduation Ceremony

Congratulations to our Graduating Class of 2022!
