

Class of 2023

The 2022-2023 school year is one we will certainly never forget. For many of our graduates, it has been a tough three years with so many constant changes. However, this is the year we have finally reached the end of the tunnel that we have long awaited for. We can finally get together for a proper graduation ceremony held in a beautiful banquet hall for our 20th graduating class here at J. Addison School. This year, we are saying goodbye to another incredible group of students who come from all over the world. No matter how many obstacles they may face in the future, we know we have prepared them well. We wish our Class of 2023 happiness, determination and strength as they begin their next journey in life.

J. Addison School

nurturing tomorrow's thinkers

Congratulations to our Graduating Class of 2023!
