

# Class of 2022 Notable Alumni

## Zhi Hou Ye C. | Peru

Western University, Engineering

Class of 2022 Valedictorian, Residence Life Leadership Award, Ontario Scholar

"The time I have spent at J. Addison School is one of the most important parts of my life. Since J. Addison became my home away from home, with supportive and loving friends who have become my family, and the counsellors who have become my mentors. As we know starting a new life in another country is not easy, especially for international students, but the J. Addison dorm staff made this transition so easy by helping us with everything. I enjoyed my time in the dorm since there were a lot of activities like making waffles, ice cream, hanging out at the mall with friends, etc. All these memories that I made at J. Addison will be a part of me. I will use all that I've learned that my professors taught me. I personally want to thank J. Addison School for these amazing two years with good teaching and wonderful staff."

## Kwan Yi W. | Hong Kong (China)

University of Toronto, Kinesiology

Class of 2022 Valedictorian, Ontario Scholar

"My Journey in J. Addison had gone in a blink of an eye. J. Addison taught me to believe in my passion and desire, as well as how to be resilient when encountering obstacles. My experience here was truly rewarding and unforgettable. I am really grateful for all the lifelong friends and supportive staffs that I've met here, they made my transition to Canada easier and adaptable. Thank you IAS for transforming me into a better individual and accompanying me along the way. Without their encouragement, I wouldn't have achieved my post-secondary goals."

## Evan Ho Yin T. | Hong Kong (China)

University of Toronto, Life Science

Outstanding Academic Achievement Award, Ontario Scholar

"J. Addison School has wonderful teachers that helped me to develop essential skills such as leadership, decision making and problem solving that are important for my future studies and career. As a dorm student, I participated in many events organized by the dorm team. They did a great job by providing us with various forms of entertainment during the weekends while keeping us safe during the pandemic."

## Melina M. | Iran

Western University, Biochemistry & Cancer Biology

Science Award, Ontario Scholar

"If I had to sum up J. Addison School in a single word, it would be "unforgettable". During my time at this school, I made many wonderful friends who I will never forget, and the instructors and staff were always supportive and there for me so graciously. J. Addison School is a place where if you bring the effort, you will undoubtedly succeed, and the students' achievements will be surely recognized and appreciated. This place was a bridge for me to a brighter future, where I could achieve and pursue my aspirations. I sincerely thank J. Addison for all of their support and assistance."
