

J. Addison School

Canada's Pre-eminent
Private Day & Boarding School

INTERNATIONAL FAMILY SETTLEMENT ASSISTANCE (IFSA) PROGRAM

Canada is a leading destination for families considering to relocate, with its strong reputation for safety, robust economy, and high quality living standards. You have made an impactful decision for your child(ren) to study in Canada and you too can experience Canadian culture with your child(ren) while they are attending J. Addison School. This special program assists parents and families who accompany their children while they are pursuing their education in Canada.

While staying in Canada with your child(ren), you will make new friends, become familiar with the Canadian education system, learn about new cultures and improve your English proficiency. This program will work closely with parents to compare and locate suitable living accommodations near our school, explore different modes of transportation, set up bank accounts, get acclimated with the local neighbourhood, and learn about other services that can facilitate a smooth transition to Canada.
