“Respect, Kindness and Manner”

Our scholarship program is designed to support the **next generation of leaders, visionaries, and changemakers**—young individuals who will shape the future utilizing tools like AI for innovation with **purpose and integrity**. Through our commitment to **character development and values-driven education**, we nurture students to grow with confidence, resilience, and a strong sense of responsibility.

Guided by our core values—Respect, Kindness, and Manner—we are shaping individuals who are ready to take on challenges and make a real difference in a world that's constantly changing.

The Tomorrow’s Thinkers Scholarship at J. Addison School is a prestigious award that recognizes and supports outstanding domestic elementary students who demonstrate academic excellence, forward-thinking innovation, and a strong motivation to explore artificial intelligence (AI). This scholarship is designed for students who not only achieve high academic standing but also exhibit a keen ability to anticipate future trends and envision how technology—particularly AI—can be leveraged to shape a better world.

Eligibility Criteria

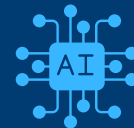

To qualify for the **Tomorrow’s Thinkers Scholarship**, applicants must meet the following criteria:

- Be a domestic elementary student entering J. Addison School.*
- Maintain a strong academic record with a demonstrated ability to excel in core subjects.
- Possess a keen understanding of AI and its potential impact on society.
- Exhibit forward-thinking problem-solving skills and innovative ideas.

*Applicants must hold Canadian Permanent Residency or Citizenship

Award Details

- A financial award applied toward tuition at J. Addison School.
- Access to mentorship opportunities and participation in AI-focused workshops or projects.
- Recognition as a **Tomorrow’s Thinker**, a student who embodies intelligence, innovation, and a commitment to shaping the future.

Application Requirements:

- 1. Academic Records** – A transcript or report card reflecting their strong academic performance in their two most recent grades.
- 2. Short Essay or video compilation** – A 500-750 word essay or 2-3 minute video on the topic: *"How I Envision the Future: The Role of AI and Emerging Technologies."* The essay/video should explore how AI and technological advancements could shape industries such as education, healthcare, environmental sustainability, or global communication. Students should demonstrate critical thinking, originality, and an understanding of the application of AI’s potential benefits and challenges. Video submissions are strongly encouraged.
- 3. Letter of Recommendation** – A letter from a teacher or mentor who can attest to the applicant’s academic abilities, innovative thinking, and leadership potential.
- 4. Personal Statement (Optional)** – A brief statement explaining why they are an ideal candidate for the scholarship and how they plan to use their education to make a meaningful impact on the future.
