J. Addison School

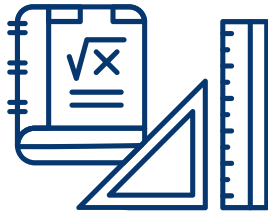

Fusion Day Camp

- Ages 5 - 13, 9:00 am to 4:00 pm (Extended Care available).
- Learn the skills of various sports including soccer, volleyball, floor hockey, badminton, basketball and more.
- Enjoy half-day activities such as Science Experiments, Arts and Crafts
- Optional lunch program available.

Keep Learning, Playing, and Growing This Summer!

Our Fusion Day Camp offers a dynamic two-week experience where children can stay active, curious, and engaged in a safe, supportive setting. With small group sizes, every child receives personalized attention from experienced staff.

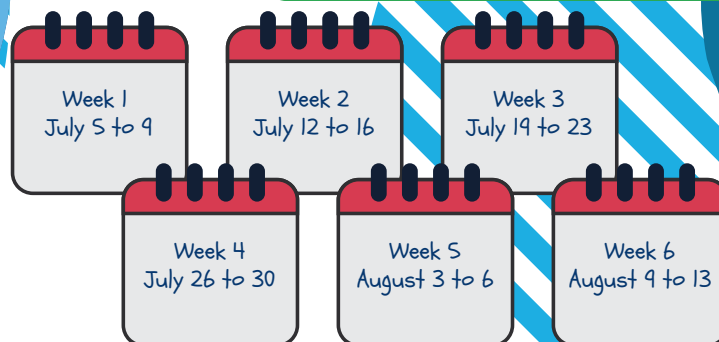

Campers enjoy **mornings full of energy and teamwork through a variety of sports** including basketball, volleyball, badminton, and more—learning not just the rules but also cooperation and discipline.

After refueling with a fresh, nutritious lunch from our on-campus Café J., **afternoons of discovery and fun come alive with exciting STEM experiments, arts & crafts, dance or hands-on activities, and guest-led workshops** that inspire creativity and critical thinking.

Fun-filled Fridays!

Each week ends with a fun-filled Friday trip or activity— rock climbing, water games, or a Cineplex outing!

Select weeks from July 5 to August 13
